This means that every gift is worth twice as much. The portion that the Akelius Foundation contributes is earmarked to support people affected by the war in Sudan, both in the country and in neighboring countries where many have fled.

The war in Sudan has created a catastrophic situation. Around 30 million people are in need of humanitarian aid and 14 million have been forced to flee. Act Church of Sweden is already working on initiatives to save lives and alleviate suffering in Sudan and neighboring countries.

– We are very grateful for this opportunity. By doubling the donations, we can make an even greater difference for people living in vulnerability. The money goes to save lives and provide support to people affected by the war in Sudan, 30 million people are currently in need of humanitarian aid, says Erik Lysén, head of Act Church of Sweden.

Here's how it works:

- The doubling applies to donations collected for Act Church of Sweden during the period 1–31 December 2025.
- Monthly giving gifts, wills and recurring corporate gifts are not covered.
- Each gift can be doubled up to a maximum of five million kronor. This applies to gifts from private individuals, companies, as well as parishes and dioceses.
